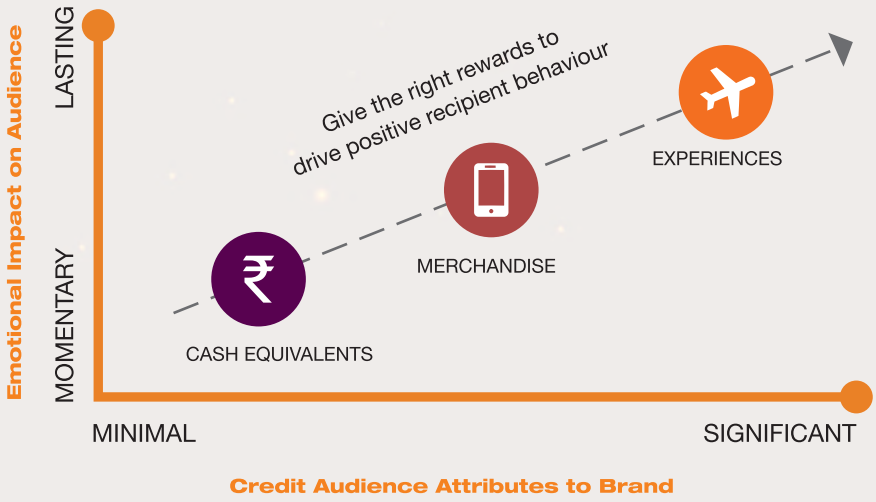
Turn **Festive Gifting** Truly Meaningful and **Unforgettable**

Celebrate with rewards that build excitement, give hedonic pleasure, are emotionally gratifying, have high trophy value and deliver personalised experiences – creating everlasting memories.



Inspire People with **Behavioural Science Principles**

Hedonic

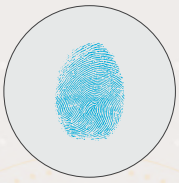
Reward with highly emotional and pleasurable experiences, creating lasting memories.

Framing Bias

Present your rewards in appealing and enticing ways, influencing how people will react.

Vividness

Vivid memories produce powerful images in the mind, impacting decision-making. Turn rewarding into pleasurable experiences that stay in people's mind forever.



Idiosyncratic Fit

People like to believe they are enjoying a unique advantage in achieving something. Present your rewards as highly exclusive and worth the effort.
